Subject: CPG Presentation for today's meeting

Hi, Jim --

We're looking forward to seeing you again today at 1. Thanks again for hosting us.

Here's the powerpoint presentation our team will be using. We'll bring plenty of hard copies with us. For you and others cc'd on this, please feel free to forward to others as needed. I don't have Greg's email address so would particularly appreciate it if someone in OSRTI would forward it to him as well.

We'll need powerpoint projection and conference calling ability, so we'd be grateful if you could make sure those are arranged.

Thanks as always. See you in a few hours.

Geoff
